Tameside & Glossop Breastfeeding Welcome Scheme Directory of Businesses

Little Angels want to help make it easier for mums to breastfeed when out and about. Although you can breastfeed in any public place, we have put together a list of local businesses that have agreed to sign up to our very own Breastfeeding Welcome Scheme. This means that these businesses have agreed to follow a set of standards set by Little Angels to make sure that you can breastfeed on their premises in comfort, without any prejudice or discrimination.
